Sir:

Listed on accompanying Form PTO/SB/08A and Form PTO/SB/08B are documents that may be considered material to the examination of this application, in compliance with the duty of disclosure requirements of 37 C.F.R. §§ 1.56, 1.97 and 1.98. Copies of documents **FP1-FP4**, **NPL1**, and **NPL2** are submitted. However, in accordance with 37 C.F.R. § 1.98(a)(2), copies of U.S. patents, documents **US1-US3**, cited on the attached PTO/SB/08A are not submitted.

In accordance with 37 C.F.R. § 1.98(a)(3), Applicants' undersigned representative submits the following discussion of the relevance of the non-English language document **FP1** cited on Form PTO/SB/08A:

Document **FP1**, ES2 102 322 A1, is in the Spanish language. An English language abstract of document **FP1** is attached as document **NPL1** on Form

PTO/SB/08B. Additionally, document **NPL2** is a published research article which is believed to be an English equivalent of part or all of the disclosure of document **FP1**.

Where the publication date of a listed document does not provide a month of publication, the year of publication of the listed document is sufficiently earlier than the effective U.S. filing date and any foreign priority date so that the month of publication is not in issue. Applicants have listed publication dates on the attached Form PTO/SB/08A and Form PTO/SB/08B based on information presently available to the undersigned. However, the listed publication dates should not be construed as an admission that the information was actually published on the date indicated.

Applicants reserve the right to establish the patentability of the claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

This statement should not be construed as a representation that a search has been made, or that information more material to the examination of the present patent application does not exist. The Examiner is specifically requested not to rely solely on the material submitted herewith.

This Information Disclosure Statement is being filed after the mailing of the Notice of Allowance. In accordance with the requirements of 37 C.F.R. § 1.97(d) and (e)(1), I hereby state that each item of information contained in this Information Disclosure Statement (with the exception of documents NPL1 and NPL2) was first cited in a communication from a foreign patent office in a counterpart foreign application not

more than three months prior to the filing of this Information Disclosure Statement.

Attached is our PTO-2038 Credit Card Payment Form in the amount of \$ 180.00 in payment of the fee under 37 C.F.R. § 1.17(p). Additionally, the fee set for in 37 C.F.R. § 1.17(p) is enclosed herewith.

It is respectfully requested that the Examiner initial and return copies of the enclosed Form PTO/SB/08A and Form PTO/SB/08B, and indicate in the official file wrapper of this patent application that the documents have been considered.
